TACKS, BRADS, AND NAILS.

Label Patented.

We respectfully call attention to our improved style of package, which combines many desirable features of great advantage to our customers. Please note especially—

Our Pat. Telescope Wrapper Boxes—(see cut above).

Our system of labeling packages, embracing a distinct and separate color for each class of goods.

Size printed in large figures.

Arbitrary symbols (secured by Letters Patent controlled by this company), indicating whether the goods are packed full, half, or quarter weight.

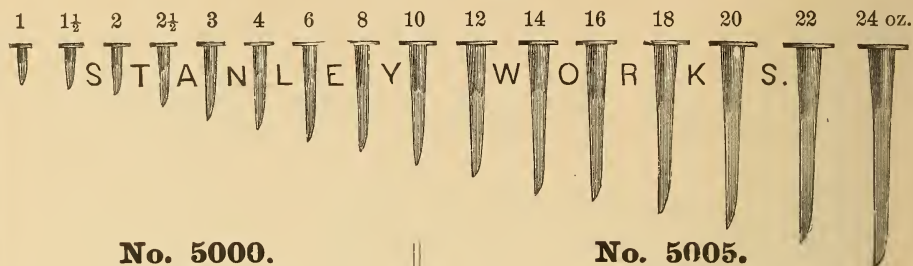

Class numbers on packages designating the *kinds* of goods.

We print on the following pages *fac similes* of a few labels illustrating above mentioned features.

In ordering please use the class numbers and state weight of packages wanted.
